## ASSOCIATE IN ARTS DEGREE REQUIREMENTS

Complete the following: (1) Major requirements, (2) the A.A. Degree General Education requirements, and (3) electives to achieve a minimum of 60 units.

## Criminal Background Checks/Health Clearance

Clearance of a criminal background check is required prior to field experience. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the course. If there is any concern regarding clearance of a criminal background check, please contact the Health Occupations Division for additional information. Students are required to provide proof of negative TB and current vaccination records prior to enrolling in the clinical experience courses. A current Basic Life Support CPR card issued by the American Heart Association is also required prior to clinical placement.

## SPEECH-LANGUAGE PATHOLOGY AIDE

CAREER OPPORTUNITIES: Upon completion of the courses, employment is available in educational settings where the aide will be supervised by a licensed Speech-Language Pathologist.

## PROGRESSION/COMPLETION

Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of "C" or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria.

Upon successful completion of all program requirements, students are eligible to receive either the Certificate and/or Associate in Arts degree.
