Transfer Preparation

University of California – Los Angeles

This is a highly selective major

The Sociology Department at UCLA requires you complete all major preparation courses available at Cerritos by the spring prior to fall transfer. All courses must be taken for a letter grade with a minimum grade of "C". After transfer to UCLA, students may not change their major to Sociology if they were originally admitted to another major. Students who repeat any preparation course more than once are automatically denied admission to the major. Transfer students must be admitted as Pre-Sociology majors in order to major in sociology.

University of California – Riverside

SOC 205 Introduction to Social Research Methods 3

In addition, complete one additional UC transferable lower division Sociology courses. Any UC transferable Sociology course is acceptable. All five courses in the major must be completed with a grade of "C" or better.

*MATH 112 or PSYC 210 listed as a common lower division major preparation course is not articulated to meet the requirement for UCR's SOC 5.

See www.assist.org for lower division preparation requirements for the Sociology/Administrative Studies and Sociology/Law and Society majors.
