College for Youth Program Offers New Classes in STEAM Inventions, 3D Animation, Kitchen Chemistry and More at Cerritos College

Registration now open; More classes available

FOR IMMEDIATE RELEASE: May 4, 2014

Media Contact: Aya Abelon, Public Affairs; (562) 653-7878

WHAT: Registration for the summer 2017 College for Youth program is now open at Cerritos College. Classes begin June 19 and continue through August 11.

The College for Youth program offers classes for children, first through 12th grade in math, writing, SAT, computer technology, cooking, music, art, and sports. The most popular classes include video game design, mobile app development, powerhouse writing, CSI (crime scene investigators), swimming, and tennis. Newly added for this year are STEAM inventions, Mathcraft: using Minecraft to learn math), mobile filmmaking, planetary science, kitchen chemistry, and ceramics.

Educational classes offered through this program will get children excited about learning and familiar with a college campus.

There are four, two-week sessions that run through the summer, Monday - Friday, and all classes are age appropriate. Classes begin at 8 a.m., 10 a.m., 1 p.m. or 3 p.m. Students can attend one or two classes, or stay all day and enjoy four different classes. Supervised lunch break is offered free and extended child care is available.
