Legislation: Funding for Culinary Arts Demonstration

WHEREAS: The culinary arts program in Cerritos College is vital to students aspiring to work in the food industry; and

WHEREAS: the program continues to grow each year and expand its services not just to culinary arts students but to the entire population of Cerritos College through the unique dining experience Café Cerritos; and

WHEREAS: in order to continue educating students about the different career opportunities and practices related to culinary arts, the program invites professional demonstrators in the culinary arts field to showcase their skills to students and staff; and

WHEREAS: the culinary arts program need financial support of the ASCC to bring professional demonstrators to Cerritos College; therefore

RESOLVED: That the ASCC fund the culinary arts program a total of $550.00 from special projects account #600-03-015 to bring Chef Ray L. Duey to Cerritos College to perform a fruit and vegetable carving demonstration to students and faculty.
