AP 4229 COURSE REPETITION – VARIABLE UNITS

References:
Title 5, Section 55044

Students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire curriculum of the course once.

Students may not repeat variable unit open-entry/open-exit courses unless:
• The course is required for legally mandated training; or
• The course is a special class for students with disabilities which needs to be repeated; or
• Repetition of the course is justified by extenuating circumstances; or
• The student wishes to repeat the course to alleviate substandard work.

Whenever a student enrolls in a physical education activity course offered for open-entry/open exit, the enrollment will count as a repetition of the course.

When a course is repeated due to a significant lapse of time, the District may disregard the previous grade and credit when computing a student’s grade point average.
