Nonresident Tuition: Students who are not residents of California for one year prior to the first day of the semester will be charged Nonresident Tuition at the Board-approved rate per semester unit. Nonresident students must pay Nonresident Tuition in addition to the California Community College Enrollment Fees. Calculation of such tuition shall be done in compliance with applicable law and regulation to reflect the current expense of education and that of the preceding fiscal year, and it shall reflect fees in contiguous districts. Students who believe they should be reclassified as resident students have the responsibility to request a change of their classification in the Admissions, Records and Services Office prior to enrollment.  

Nonresident Capital Outlay Fee: Nonresident students who are both citizens and residents of a foreign country will be charged a Nonresident Capital Outlay Fee, in addition to the Nonresident Tuition and the California Community College Enrollment Fee.  

Military Resident Exemption: Nonresident U.S. military personnel on active duty in California (except those assigned for education purposes to state-supported institutions of higher education) are granted a waiver of Nonresident Tuition until they are discharged from their military service. Their dependents are granted a waiver for a period of one year from the date they enter California. Upon expiration of the waiver, evidence must be provided as to the date the student surrendered his/her out-of-state residence to become a resident of California. The student will be classified as a nonresident and charged Nonresident Tuition until one year has elapsed since the out-of-state residence was surrendered, except when the provisions of the VACA Act [38 U.S.C. 3679(c)], Section 702 apply as follows:

4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California.
