Complete Your Bachelor’s Degree in Child Development

> Bachelor of Science: Child Development

The University of La Verne’s Child Development program provides early childhood professionals with the confidence, education, knowledge, and skills needed to succeed. Continued education leads to leadership roles in curriculum planning, staff development, and administrative assignments.

Our bachelor’s degree program is designed with NAEYC standards in order to provide you with the necessary education to advance in the industry.

> How it works

• Accelerated 10 week terms
• Evening/Weekend classes
• Financial aid and convenient payment plan
• AA degree not required to enter bachelor’s program
• 28 semester hours of transferable college credit to include: 15 Child Development units including the equivalent of EDUC 251, EDUC 253 and English 1 and 2.

> Program Focus

This program focuses on studies of the growth and development of children in relation to the family, school and community. The University’s Child Development Major complements community college programs in Early Childhood Education.

Upon completion of the B.S. in Child Development degree program, students may be eligible for the Child Development Site Supervisor Permit issued by the California Commission on Teacher Credentialing.

> Benefits

• University of La Verne has one of the few programs in the area that offers professionals an opportunity to earn a degree specifically in Child Development
• Small class sizes
