Esthetician Program Information

Thank you for your interest in the Esthetician Program. This course will prepare you for a career in esthetics by providing you the skills to perform facials which include cleansing, skin analyzing, exfoliation, extractions, massage and the use of electrical equipment. You will also learn make-up applications, pre and post operation camouflage make-up. Approximately 75% of the 600 clocked hours is spent on performing hands-on applications.

The esthetician program is offered part-time during the day or evening. DAY students enrolling in this plan attend class from 11:30am to 4:30pm Monday through Thursday. EVENING students enrolling in this plan attend class 5:30pm to 10:30pm Monday through Thursday. It takes approximately two regular semesters to complete the 600 hour program.

**REGISTRATION:** During the fall & spring semesters, new students need to register in COS 54: Introductory to Esthetician. There is no esthetician class offered during the summer. Please refer to the schedule of classes for appropriate class ticket numbers.
