Closed Class Strategies

The class you want is closed? Don’t Panic!

Try these suggestions:

- Choose the same course, but different time.

- Consider afternoon OR evening classes

- Choose a different course or consider other courses that meet your education planning goals.

- View the list of open courses by going to www.cerritos.edu/schedule/ and click on the departments you wish to view.

- Sign up for the waiting list. You may be placed on a MAXIMUM of seven (7) wait list units. (You may do this online at www.cerritos.edu and click on “mycerritos”)

- If you are unable to get into a waitlist, view the Admission & Records website for registration dates of the upcoming term and submit your application for the next term.

Have a successful semester!
