Course Selection Strategies to Explore New Ideas

For anyone who is undecided, uncertain, or unsure about choosing courses

- Take foundation courses in English, Reading and Math.
- Sample a variety of disciplines in General Education categories.
- Sign up for COUN 10 or COUN 200.
- Flip through the Class Schedule and pick classes with titles that sound interesting to you.
- Investigate subjects you never had a chance to check out before.
- Complete some electives of your choice.
- Explore! Try an introductory course in a subject you know nothing about:
