Prepare yourself for the possibility of having to start taking classes in Summer or Fall 2013 term.

The spring semester starts January 14th and classes are already full.

**Strategies for finding classes**
- Consult the open class list via Schedule Plus (www.cerritos.edu/schedule) to see what is still available. If there is a wait list available for a class you are interested in (and eligible for), then you may sign up for it.
- Refer to the MyCerritos registration video for enrollment instructions. (Enrollment is not completed in person.)
  - You may only be on up to 10 units of wait lists at a time.
  - You must pay for the waitlist.
  - If you are not able to get into the class, you may initiate a request for a refund or leave it in your student account to pay for future fees. A one year limitation applies.
- If you are able to get into a class or on a waitlist, **you must pay all fees** within 7 calendar days and **by January 11th** or your classes will be dropped. See p. 12 of the schedule of classes.
- You may also try to “crash” or “petition” a class by going to the first class meeting.
  - There is **no guarantee** that you will be able to get into the class.
- Check other schools for class availability.

**If you can not get on a waitlist or petition for a class then get an early start on the Summer or Fall 2013 enrollment process:**
- Submit a Summer and Fall 2013 application as a new student starting on February 1st.
  - You will not need to take the assessment tests again
  - You also will not need to go through orientation again.
  - If you cannot get any classes this term, and you are first-time new to college student who has already completed assessment tests and orientation, **you will be eligible for a one-time earlier enrollment date for Fall 2013** as long as the following step is completed.
  - Submit a fall application as a new student by, Tuesday, June 18th which is the Early Success Program deadline.
- Check the ESP webpage form more information: www.cerritos.edu/esp
