Workers’ Compensation

REPORTING A JOB-RELATED INJURY/ILLNESS
Workers’ Compensation Procedures

1. What is Workers’ Compensation?
Workers’ Compensation is a state-run insurance system that provides income protection for workers experiencing job-related injuries or illnesses. The Cerritos Community College District Workers’ Compensation Insurance covers Cerritos College employees injured on the job or suffering an illness caused by the job.

2. Procedures
It is required that any employee who sustains a job-related injury/illness immediately reports the injury/illness to his/her immediate manager or supervisor.

- **Emergency: Serious Job-Related Injury or Illness**
  A serious injury or illness is one that requires inpatient hospitalization for more than 24 hours for something more than medical observation; or one in which an employee suffers a loss of any member of the body or suffers any serious degree of permanent disfigurement.

  - **NORMAL WORKING HOURS:** The serious injury or illness of an employee must be reported by a manager or Campus Police Officer to a District Workers’ Compensation Coordinator *immediately* after he/she becomes aware of the serious injury or illness. The District Workers’ Compensation Coordinator will report the incident to CalOSHA. The District is required to report serious job related injuries or illnesses to the State agency within 8 hours.

  - **OUTSIDE WORKING HOURS:** In cases of serious injury or illness of an employee, the manager should notify Campus Police immediately by dialing 911 from a District phone or by dialing the direct line to Campus Police at (562) 402-3674.
• Non-Emergency Normal Business Hours

  o Reporting a Job-related Injury/Illness

    If an employee is injured on the job or suffers an illness caused by the job, he/she must immediately (within 24 hours) contact the immediate manager or supervisor. The manager of the area will give to the employee the Workers’ Compensation Claim form (DWC 1) (Sample 1). The employee must complete questions 1 through 8 (top portion). The employee should keep the green copy (Temporary Receipt) or a photocopy of the DWC 1 after he/she completes the top portion.

    If the employee declines to accept the DWC 1, he/she must complete and sign the Employee’s Declination of Workers’ Compensation/Treatment form (Sample 2).

    NOTE: If the immediate manager or supervisor is not available, the employee must contact any other District manager within 24 hours and notify his/her immediate manager when he/she becomes available.

  o Receiving Medical Treatment

    If medical treatment is needed, the employee must be referred to Health First Medical Group or to his or her pre-designated physician (pre-designation must be on file prior to injury/illness). Health First Medical Group is open 24 hours, 7 days a week. The manager must complete and give to the employee the Authorization to Treat form (Sample 3).

    Health First Medical Group
    13440 E. Imperial Hwy.,
    Santa Fe Springs, CA 90670

    Telephone: (562) 926-3440
If the employee declines medical treatment, he/she must complete and sign the Employee’s Declination of Workers’ Compensation/Treatment form (Sample 2).

NOTE: Employees are required to report all job-related injuries, including injuries requiring only First Aid treatment. First Aid injuries may be treated at the Student Health Services. First Aid refers to medical attention that is usually administered immediately after the injury occurs. It often consists of a one-time, short-term treatment and requires little technology or training to administer.

- Manager’s Report of Job-related Injury/Illness

After the employee has completed the DWC 1 and has been referred for medical treatment, the manager must complete questions 9 through 13 of the DWC 1 form (lower portion). A District Workers’ Compensation Coordinator will complete questions 14 through 18.

The manager must contact a District Workers’ Compensation Coordinator immediately or **within 24 hours** to report the job-related injury/illness.

- District Workers’ Compensation Coordinators

Primary Contact: Linda Kaufman, Administrative Secretary
Extension: 2241

Secondary Contact: Deanna Hart, Payroll Manager
Extension: 2275

Third Contact: Dr. Adriana Flores-Church, Risk Management
Extension: 2283

The manager must complete Supervisor’s Accident Investigation/Injury and Illness Incident Report (Sample 4) for all job related incidents, including First Aid injuries, and submit with the completed DWC 1, when applicable, to a District Workers’ Compensation Coordinator. The manager must state what steps have been taken to prevent similar injuries/illnesses.
• **Non-Emergency Outside Normal Business Hours**

If the injury occurs outside normal business hours and the immediate manager or any District manager is not available, the employee should go to the Campus Police Office to report the injury/illness and pick up the required forms. Campus Police staff will complete and give to the employee the Authorization to Treat form (*Sample 2*).

Campus Police will contact the injured employee’s immediate manager within the next business day to report the employee’s injury/illness. The manager will take over and meet with the employee, complete required forms, and contact a District Workers’ Compensation Coordinator.

3. **Treating Physician**

Any employee who sustains a job-related injury/illness will be referred to Health First Medical Group, unless the employee has pre-designated his/her personal physician by submitting the Workers’ Compensation Pre-Designation of Personal Physician form (*Sample 5*). The Pre-Designation form must be in the District Workers’ Compensation Coordinator’s files prior to an injury/illness.

4. **Absence Due to Job-related Injury/Illness**

Any employee who is absent because of injury or illness which arose out of and in the course of his/her employment can receive temporary disability benefits. Please refer to collective bargaining agreements and Board Policy.

5. **Release to Return to Work**

Any employee who is released to return to work after a job-related injury/illness, must present required documentation and follow procedures. Please refer to collective bargaining agreements and Board Policy.
6. Questions

The District is committed to ensuring the safety of employees and students on District sites. Employees are required to follow safe work practices and use safety equipment as required by their job at all times.

Any questions regarding these procedures, contact Dr. Adriana Flores-Church, Human Resources/Risk Management at extension 2283.
