

# What is a Learning Community?

## A LEARNING COMMUNITY IS...

- Students working collaboratively with faculty in a friendly, supportive atmosphere.
- Groups of 30 students enrolled in two or more courses in which students gain a deep understanding of each course.
- An approach to student learning Designed for Student Success.

## Why Join a Learning Community?

Students who join learning communities...

- Smooth their transition into college
- Graduate or transfer to four-year colleges sooner
- Priority registration
- Increase their learning and earn better grades
- Meet other students and form lasting friendships
- Reinforce learning in one class while working on projects in another

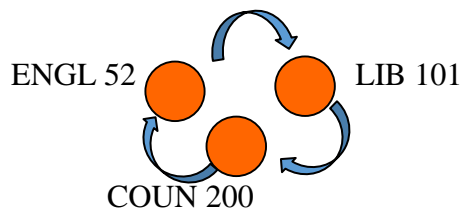

## Examples of a Learning Community and FYE Houses:

### Learning Community

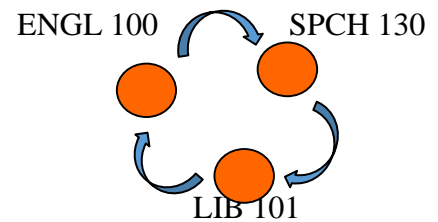

Sociology 101    History 102

### FYE House ENGL 52

### FYE House ENGL 100

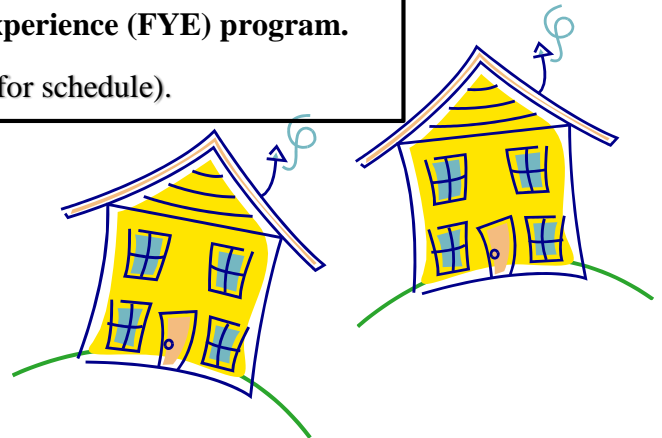

**One type of Learning Community is the First Year Experience (FYE) program.**

FYE Classes are organized in Houses (see reverse side for schedule).

## Which FYE House for you?\*

- House A = ENGL 20
- House B's = ENGL 52 or ENGL 72
- University Transfer Houses = ENGL 100

\*A signed contract is required for all students in the FYE program. For additional details see reverse side or call ext. 2782.
