Online Journal and Reference Articles

Journals and magazines usually provide the most current information on a topic. Journal articles are more scholarly or professional while magazine articles tend to be shorter and more general. Newspaper articles, while not usually scholarly or professional, can give you the most current news and some additional facts on your topic.

To find articles on your topic, use one of the online databases listed below. These databases usually provide full-text articles on almost every topic. They are available via the [Library Home Page](#). Conduct your search in these databases by using subject headings and keywords similar to those you used to locate books.

EBSCOhost

Gale Databases

Project Muse

The Library also has print indexes that must be used to find older articles, generally anything published before 1985. For articles on *Mrs. Dalloway*, you may check in [Humanities Index](#) and [Biography Index](#).

See the [Library Internet Resources](#) handout for a complete description of our online resources.
