

## FICTION

Hello my name is John and I'm here to show you the library's fiction area. Located in the South Stacks this three aisle section holds a variety of fiction books that are completely at your disposal whether for educational or entertainment needs. The books here are all listed by the author's last name and are shelved in alphabetical order. So if you're looking for a book by, say, Stephen King, you would walk to the "K" aisle, listed here on this green tile, and look for the last name "King". Once you find the book you're looking for please take it to the Circulation Desk and check it out. This is John, hoping you'll enjoy your experience here at Cerritos College Library.
