President’s Goals
2011-12
Linda L. Lacy

1. Guide the consolidation of student success activities into a dynamic process which will reach a greater number of underprepared students and become a model for replication.
   a. Direct the completion of the Learning Resource Center remodel.
   b. Facilitate the dialogue regarding the “serious student” and identify strategies to promote the concept.
   c. Direct the improvement of the teaching/learning center and promote the use of the services by teaching faculty.

2. Provide oversight and direction in the completion of the revised educational and facilities master plans.

3. Direct the process to seek support from the community for a future bond campaign.

4. Develop and implement succession training program and enhance staff development activities.

5. Continue to seek partnerships which provide collaborative educational opportunities and to pursue additional funding sources to strengthen student success programs.
   a. Pursue donations for naming opportunities of college facilities and support the planned giving and alumni campaign.
   b. Oversee the creation of the Cerritos Hall of Fame.
   c. Implement a pilot program for the Early College Program with ABC and La Mirada/Norwalk unified school districts.
   d. Continue to strengthen the connections and relationships with the communities we serve.
   e. Seek alternate funding sources for programs and services.

6. Oversee the creation of activities designed to improve campus morale while introducing new employees to the Cerritos culture.
   a. President’s Holiday Reception
   b. Campus picnic
   c. Management retreat
   d. Brown bag lunches with constituent groups
   e. Other events as recommended

7. Continue to enhance the educational experience through the use and advancement of technology.
