TOTAL VERIFICATION REQUIREMENTS		12

Although some of these courses are transferable, this certificate is non-transferable.

The Lettering Arts Verification of Completion is designed to include the following objectives:

- To gain proficiency in calligraphy using traditional lettering techniques
- To develop knowledge of the history of lettering
- To explore various historic styles of lettering
- To develop confidence and a personal style of lettering
- To help the participant create a letter arts business plan

A Verification of Completion in the Lettering Arts Certificate will be granted upon completion of 12 units.
