What is Cross Enrollment?

- Cross Enrollment Program is designed to improve educational experiences for students by providing access to courses offered at select CSU's and UC's.

- Participating in the program will help you become familiar with academic programs and services offered at the following campuses. Students are allowed to take one course per academic year without formal admission.

*This information is intended for students attending a California Community College as their home campus.

Who is Eligible?

- Undergraduate students attending Community Colleges, CSU’s or UC’s
- Enrolled in a minimum of six units at the home campus
- Earned a cumulative grade point average of 2.00
- Completed at least one term at the home campus
- California residents

*Note: Check the following websites to see if cross enrollment is currently available
