This articulation agreement contains transfer related information for Chapman University.

**GE Block Transfer**
Chapman accepts the UC IGETC or full CSU General Education certification to satisfy the following areas: All Shared Inquiry, Global Study and Citizenship, Community, and Service. Additional GE requirements not met by certification include Language Study and Inter/Multidisciplinary Cluster. Certification must be completed prior to the student’s first semester admitted, enrolled and attending.

**Course by Course Transferability**
Chapman’s transfer course database lists courses reviewed for transferability and is available for search through WebAdvisor. Two search options allow you to review transferability for current courses from Cerritos College or view a list of all the approved equivalent courses for a specific Chapman course.

WebAdvisor: Log on as a guest and select one of the two search options for Orange Campus Transfer Courses
- Direct equivalencies are used for transfer courses that are equivalent to Chapman University courses and carry all of the same approvals for GE and major as the Chapman course.
- Other transfer equivalency codes are assigned to courses that do not equate to any Chapman course but may still be eligible for transfer and application towards degree requirements. Please refer to the Articulation and Transfer Guides for a list of courses approved for specific requirements.
  - Please note that courses listed on the Articulation and Transfer Guides as satisfying a course requirement may not be directly equivalent to the Chapman course but are allowed as substitutions for that program only and may not appear on WebAdvisor as a direct equivalency.

**Articulation and Transfer Guides**
In addition to the items outlined above, Articulation and Transfer Guides showing course approvals for GE and lower division major prep courses were submitted and include the following sections:

**General Education**
- Argyros School of Business and Economics
- College of Educational Studies
- Wilkinson College of Humanities and Social Science
- College of Performing Arts
- Schmid College of Science
