

PLAN C

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) AA DEGREE REQUIREMENTS 2011 – 2012

Cerritos College
Counseling & Guidance

- **PLAN C** is designed primarily for students who intend to transfer to the University of California (UC) or who are undecided between transfer to the UC or the California State University (CSU). A student may use PLAN C to fulfill Associate in Arts general education requirements and the Intersegmental General Education Transfer Curriculum (IGETC). To complete an A.A. using PLAN C, students must also meet the Health & Wellness Proficiency requirement, specific coursework toward a major, and electives as needed to complete a minimum of 60 degree applicable units with a 2.0 GPA. PLAN C may not be recommended for some majors at certain UC or CSU campuses. PLAN C can be fulfilled by completing the IGETC requirements specified for either the UC or CSU.
- If a student wishes only to transfer and is not seeking an A.A. degree, there are no proficiencies required for IGETC certification. A minimum of 60 UC/ CSU transferable units is required for transfer. For other transfer requirements, please see a counselor.
- Completion of IGETC will permit a student to transfer from a community college to a campus in either the UC or CSU systems without the need, after transfer, to take additional lower division general education courses.
- Completion of IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower division general education requirements of the CSU or UC prior to transfer. Depending on a student's major field of interest, the student may find it advantageous to take courses fulfilling the CSU's general education requirements or those of the UC campus or college to which the student plans to transfer.
- The course requirements for **ALL** areas must be completed **PRIOR** to transferring to the CSU or UC in order for IGETC to be certified. However, as of Fall 2000, a student may be partially certified if missing no more than 2 courses. See a counselor to determine eligibility for partial certification.
- All courses must be completed with a **grade of C or better**.
- A student who has completed IGETC may have official certification sent to a four-year institution upon written request through the Admissions and Records office.
- Courses asterisked appear in more than one category but may be used to satisfy only one category. Courses with a "+" next to them indicate a UC credit limitation. See your counselor for details.
- Courses marked with a CL are cross-listed with another course. See individual cross-listed course descriptions in the Cerritos College catalog. Cross-listed courses may only receive credit once.
