Active Minds
Active Minds is a student-run mental health awareness, education, and advocacy group on college campuses across the nation. The club works to increase students' awareness of mental health issues, provide information and resources regarding mental health and mental illness, encourage students to seek help as soon as it is needed, and serve as liaison between students and the mental health community. Through campus-wide events and national programs, Active Minds aims to remove the stigma that surrounds mental health issues, and create a comfortable environment for an open conversation about mental health issues at Cerritos College.

Alpha Omega Club
We are a group of students who are interested in helping others gain a deeper understanding of the Bible. The Alpha Omega club is nondenominational. Our main purpose is to help others build a personal relationship with God. This will be achieved through Bible talks and personal Bible studies. The club is led through our church, Greater Long Beach Church of Christ. We also have connections with the Cal State Long Beach and Long Beach City campus ministries.

Amnesty International Club
Amnesty International Club is a worldwide organization that works to protect human rights. They investigate and expose human rights violations, educate and mobilize the public and work to protect people wherever justice, freedom, truth and dignity are denied. We cover many different topics such as women's rights, Darfur, child soldiers, gay/lesbian/transgender rights, the war on terror, and the new Demand Dignity campaign, which is the fight against poverty.

Anthropology Club
The Anthropology club is about the understanding and learning of Anthropology by creating and/or attending events that are all associated with the subject matter of Anthropology. We aim to help educate those who wish to know more about the study of Anthropology in all its aspects and in the process gain a broader idea of what Anthropology generally is by attending places such as museums and/or cultural events outside of Cerritos College.

Artists' Society
The Artists' Society is a club that focuses on building a community of artists, through club events which include; art exhibitions, fundraisers and campus related activities. The club welcomes the viewpoints of all the students involved and encourages a unified group effort with all its events. Also included are: portfolio reviews, field trips and artist lectures.

ASET
Will focus on technological trends that are constantly changing by sharing with each other current events. We will be promoting good advice on resume presentation and how students could make themselves more competitive for transferring. We will be planning together an E-Bike project and execute it during the Fall Semester. Tutoring will also be available for Mathematics, Physics, and Chemistry students.

Astronomy Club
A group of individuals who are interested in the knowledge and techniques used in observing the universe.
Atheists Club
To provide an open and supportive environment to enhance the educational experiences of local atheists and atheist-friendly students. Dedicated to examining, discussing, advocating, presenting, and improving the image of: atheism, skepticism towards supernatural claims, and other non-theistic world views. To promote ethics through secular humanism, responsibility, science, rational thought, critical inquiry, and the worth of the individual. To ensure the separation of church and state.

Auto Body Club
The Cerritos Auto Body Club's purpose is to provide additional opportunities for Cerritos College Auto Body students to learn the latest techniques for collision repair and refinishing using the latest materials and working on some of the latest vehicle designs. Patrons of our program's services generally cover all costs for parts and materials for each repair performed by students, and provide donations to our club account. Students decide when, how, and for what those funds are to be used for. The club has purchased specialized fabrication tools and equipment, much needed auto body supplies as our budgets have been severely cut, and covered the cost of hotel expenses for students to attend the collision repair industry's greatest annual event in Las Vegas - the NACE Show. Without the support of the Club, many students would not be able to work on late model vehicles or have access to the tools used in industry today. The Cerritos Autobody Club exists for the support and promotion of auto collision repair students.

Black Student Union
The purpose of the Black Student Union, BSU, is to promote activities of common interest, as well as cultural and educational benefits for the African American student body. In addition, the BSU is the "umbrella" organization of many of the African American student organizations, providing a forum for them to voice their differences, goals, and ideas. Furthermore, BSU encourages cooperation between its member organizations and the African American student body.

Bollywood Beats
Bollywood Beats is an Indian culture club geared towards introducing the student body to Indian dance, food, music and culture. One of our goals is to showcase Bollywood dance through free dance lessons either on or off campus, as well as hold movie nights, fundraisers such as bake sales & TV showings, and a mock Indian wedding.

Board of Accountancy
To teach and understand responsibility, as well as to elevate expectations, by doing everything in a first-class manner. We commit to providing first-hand information regarding transfer to top schools, careers, life skills, and to develop a sense and importance of community. Primarily, to accomplish the above, with unquestionable honesty, respect, and integrity.

Business Club/Phi Beta LAMBDA
The Cerritos college Business Club (Phi Beta Lambda) is the collegiate division of Future Business Leaders of America (FBLA). Our club is devoted to developing competent leaders through networking with today's business leaders, serving on committees, meeting students with similar interests, attending workshops and conferences, having social activities, and competing academically against other college students. We are open to all students of all majors who are interested in enriching their life.
Campus Crusade for Christ

Campus Crusade for Christ is about sharing the Gospel of Jesus Christ with the world and making disciples here at Cerritos College. Our goal is that everyone on campus would be able to know at least one genuine believer of Jesus Christ. We would like to make a positive Christian environment on campus.

Catholic Newman Club

The purpose of this club shall be to promote the Catholic teachings, and basic principles of the Catholic Church, such as the Seven Sacraments, meditating on the Rosary, and early church history. We will bring awareness on Catholic education to the students, faculty and staff who are unfamiliar with the Catholic faith. We will also offer fellowship, apologetics, guest speakers, bible study, weekly meetings, social outings, interfaith activities, community volunteer opportunities, along with group discussion of social, cultural, and political current events. The Catholic Newman Club at Cerritos College shall also affiliate itself with other Newman Chapters in other colleges, and universities, such as Cal Poly Pomona, Cal State Long Beach, and Cal State Fullerton. Furthermore, The Catholic Newman Club will also affiliate itself with the Los Angeles Archdioceses. As Catholics, we recognize the Eucharist is the body of Christ, and the wine is the blood of Christ. We also recognize Mary as the blessed mother of God. Furthermore, we believe that the Saints can intercede for us through prayer.

C.C.M Club

C.C.M. is dedicated to the original cause of providing better healthcare to underserved communities and placing more minorities in health professional careers. Our club goals focus primarily on academic excellence and community service.

Child Development Club (CDC)

The Child Development Club focus is to advocate for children and families through various types of community encounters, like Children's Night. We also provide and promote professional development in the field of Early Childhood Education through different training and experiences (for example, CPR training, Permit Workshops, and attending California Association for the Education of Young Children Conference). All who are interested in the well-being and healthy development of young children are welcome to attend our monthly meetings and events.

Christian Club

Christian Students are believers in Christ. We love the Lord Jesus Christ and endeavor to give Him "the first place in all things" (Col. 1:18) Christian Students warmly receive all believers in Christ and seek to maintain the oneness of the Spirit by keeping our focus on Christ.

Cinematic Arts Club

Unionizing individuals involved in all facets of cinema; be it technical or creative. To eventually create awareness that through collaboration, individuals can efficiently and professionally produce an envisioned concept through its completion in the form of Cinematic expression.
Cosmetology Club
The Cosmetology Club focuses on helping others with self-confidence. We here promote unity, and like to our community about our services, both individually and as a whole. We are all here to provide better opportunities for ourselves and to build a better foundation for our future careers.

Court Reporting Club
The Court Reporting Club is comprised of students enrolled in the court reporting and captioning program who help each other with tips and advice on how to improve machine speed, as well as succeed in this very intensive and rigorous program. The club also encourages members to socialize and get involved in student activities with other students who have similar goals.

Dental Assisting Club
Our club consists of Dental Assisting Students who are currently enrolled in our program. The clubs main purpose is to plan, fundraise and organize our end of the year graduation ceremony. Cerritos College students are welcomed to join our club to help us accomplish our club goals.

Dental Hygiene Club/SADHA
The Dental Hygiene Club, “SADHA” purpose and goal is to educate the community on the importance of good oral care and how it relates to overall health. We strive to work within the community and campus to provide community service and to shine light on, the educational, therapeutic and clinical role of a Dental Hygienist.

Dynamic Dance Club
Dynamic Dance Club was created to provide students with an opportunity to learn, teach, and express themselves through the art of dance. As our name entails, Dynamic Dance Club focuses on a variety, of dance genres. We are a club motivated by the interests of its members as well as the community. All dances are choreographed and performed by students. All students are encouraged to perform and choreograph dance pieces for our semi-annual performance, held at the end of every semester. Our mission is to provide Cerritos College students with a safe environment for them to express themselves artistically in a stress free area, as well as the opportunity to get involved on and off campus, and meet other students on campus.

Economics Club
The Economics Club is designed to meet bi-weekly and discuss topic-oriented issues. This will primarily center around policy discussions and debate, with presentations from committed members and input from other members and guests.

Environmental Club
We are a club that enjoys outdoor activities such as whale watching, hiking and kayaking. We focus on helping the community with beach clean-ups, habitat restoration, recycling and raising awareness on campus. Whether you’re interested in being green, self-improvement, or just having fun, this is the club for you!
EOPS Club
The mission of EOPS Club is to transform the college experience into a positive and powerful learning experience. Members learn through involvement in civic engagement and humanitarian activities, leadership development and friendships. Activities include volunteer work, community service and school workshops. The club does its best to get involved as much as possible with school and community events while at the same time having fun. We as an official club support each and every member to continue strong with their studies, and also strongly support them on their academic goals. The EOPS Club is proud to say that as long as we are given the opportunity to attend college we will do our best to go over and above our ambitions and goals.

Falcon Athletic Training
The Falcon Athletic Training Club helps educate students in the prevention, diagnosis and intervention of emergency, acute and chronic medical conditions. It will also help students build skills and become more successful if they plan on transferring to a University with an accredited program.

Feminist Majority Leadership Alliance (FMLA)
The women and men of FMLA investigate, express and work for gender equality for all people. Affiliated with other chapters of the national organization, they have sponsored activities such as Vagina Monologues, and the Clothesline Project on campus. They have also participated in many national events.

Geology Club
The Geology Club is an organization dedicated for students to encourage their knowledge in geology and earth sciences. The club will explore local geology through fun activities such as hikes, camping, guest speakers, and other special events. Any student who is interested in geology is welcome to join.

Gift of Inspirations Falcon Team (GIFT)
GIFT is a Cerritos student club that is focused in forming a team of collective minds from students, faculty and staff, and the community in order to come together and in a collective manner, solve issues and situations to multiple issues (from Academic to career, to how-to, etc.)
Find us on Facebook! www.facebook.com/donmanuels#!/giftsofinspirations,falconteam

Graphic Design Club
The Graphic Design Club is a forum for professional development and fellowship with the designers of the future. The club sponsors professional speakers, shows graphic design related films. Students organize exhibits of their work.

Health Promotion Club
The Health Promotion Club promotes diversity by confronting all aspects of health issues by participating in community services events and fundraisers. In order to raise money for charities. This organization focuses on academic excellence supplemented with a service oriented mindset. The Health Promotion Club seeks to support the development of health, both domestically and globally.
iFalcon Club
The purpose of the iFalcon Club is to raise money for the iFalcon Scholarship through our Foundation. We also help give more ideas to the iFalcon campaign, as club members learn more and develop further the Habits of Mind. Everyone is welcome.

International Student Association (ISA)
The International Student Association (ISA) was established to create a sense of community between international students and domestic students. ISA promotes activities geared towards intercultural exchange and increase awareness and tolerance in the many diversities present in the campus.

Kabarkada Club
Karbakada Club exists to establish friendship and unity among members, to participate in promoting Filipino culture, and yearns to uphold the aspects of the Filipino Culture which can be of social value to the history and tradition. This club also adheres to provide and empower student involvement at Cerritos College.

KPOP
The KPOP Club indulges in all aspects of Korean pop culture. We listen to music, learn choreography, talk about dramas, taste food, and anything that related to Korean pop culture. Find us on facebook! www.facebook.com/cerritoscollegekpopclub

Laughter Yoga
“The laughter yoga student association is a group of people who gather together to practice laughter as a form of exercise to improve health and you will have a lot of fun! You do not need to feel good, have any reason, or even a sense of humor in order to laugh. When you laugh for no reason, soon you do feel good, and it improves your sense of humor. It is called laughter yoga because for thousands of years traditional Hatha Yoga has shown that breathing practices can influence the body, mind and emotions. Laughter yoga combines laughter exercises with yoga breathing practices or “Pranayama” to create a joyful body-mind experience. Since laughter yoga is unconditional it can improve your grades and overall productivity as you release stress and link-up with friends! For more information please contact Henrietta Hurtado at hhurtado@cerritos.edu. ““We are on Facebook as the Laughter Yoga Student Association”

Library Club
The Library Club was founded in 2009 as a way for students to get more involved with the Cerritos College Library and all it’s wonderful resources. Club members share a common goal - reading and discussing literature, books, and current affairs. The Library club sponsors a variety of activities that expand its member's cultural and intellectual knowledge. Members organize and participate in book sales, poetry readings, book discussion groups, cultural excursions, outdoor activities, and bake sales. They learn how to use the library resources and conduct library research. Members organize events that enable them share their knowledge with each other as well as with others on campus. The Cerritos College Library Club is open to all Cerritos College students. Join us!

http://cms.cerritos.edu/library-club/home.htm
LINC Club
The purpose of the Linc Club is to create a comfortable environment where members can feel safe and secure. For the members to enjoy themselves, while taking care of the club business. It’s a club where the members can interact with other members and get to know who attends their school. It’s a chance to build long-term friendships and to help one another through some rough situations. The leaders will make it fun for every member, so it can keep members interested into the topic. In this club not only will you leave with a new friend but have many experiences of what it feels like to be part of something great. This club is mainly for former or current foster youth but open to others who want to join.

Literature Club
The Literature Club is an informal meeting of anyone who is interested in literature in any form: books, poems, movies, magazines, etc. We discuss great works of literature, both old and new, share our favorites, and learn from others. The Literature Club is a great place to drink deeply from the well of knowledge, discover great works of literature, discuss personal favorites, actively engage in enriching service opportunities, and be a part of making the world a more literate environment.

Marathon Club
The Marathon Club was founded in the Spring of 2011 as a way for students who like to run to get more involved with the campus community by sharing their love of running with fellow students. Club members share a common goal - to keep fit in mind and body.
The Marathon club sponsors a variety of activities. Members organize and participate in bake sales, fund-raisers, training sessions and workouts, races, and other outdoor adventures. They run the roads and the trails in many different areas and love to explore new venues.
The Cerritos College Marathon Club is open to all Cerritos College students. Join us!

Martial Arts Club
“The purpose of Martial Arts Club is to increase an appreciation of Martial Arts and increase self-esteem. This group welcomes all forms of Martial Arts as its concept is that knowledge is limitless there is so much in the world we can learn and no one knows everything. In addition to physical activity members are to appreciate the value of respect, courtesy & loyalty. Members should be humble and realize everyone is equal and no one should have the mindset that they are above others “

Math Club
The Math Club at Cerritos College is a curricular club that fosters mathematical creativity and ingenuity. Our members strive to promote the simplicity and beauty of mathematics. The Math Club works diligently with the Cerritos College Math Department to provide students the opportunity to participate in mathematical contests, workshops and conferences. We provide math tutoring at our meetings for members, and support the Cerritos community through annual charity and recreational events.

Model United Nations/MUN
The Model UN simulates the United Nations (UN). Students assume the roles of delegates to the UN and debate current issues on the UN agenda. Through diplomacy and negotiation, Model UN participants seek out solutions to complex global concerns such as the environment, economic development, refugees, HIV/AIDS, conflict resolution, disarmament, and human rights. The Model UN is open to all interested students. The Model UN represents Cerritos College at collegiate conference and increases campus awareness of international issues and the workings of international organizations affiliated with the United Nations (UN).
Music Club
The goal of the Music Club is "Build Unity through Music." We build up our music community on campus by producing concerts, many charity shows such as "Toys for Tots" and a "Canned Food drive" Concert. We send out emails that inform our members and those interested about concerts on campus and around the community. Many members are also student of the Cerritos College Applied Music Program and are enthusiastic to share their talents and love of music.

Phi Beta Lambda/Business Club
The Cerritos College Business Club (Phi Beta Lambda) is the collegiate division of Future Business Leaders of America (FBLA). Our club is devoted to developing competent leaders through networking with today's business leaders, serving on committees, meeting students with similar interests, attending workshops and conferences, having social activities, and competing academically against other college students. We are open to all students of all majors who are interested in enriching their life.

Phi Rho Pi Club (Speech and Debate)
Phi Rho Pi Club focuses on developing public speaking skills. Members of the club: (1) fundraise to support the club and the Speech and Debate team, (2) raise awareness about the Cerritos College forensics program, (3) promote a supportive environment where students can develop their public speaking skills, and (4) participate in community service opportunities and campus activities. Anyone interested in any profession that has a substantial public speaking component—law, teaching, sales, management, customer service, or most professions in general—should join this club. Find us on Facebook: www.facebook.com/CerritosCollegePhiRhoPiClub Contact us by email: cerritoscollegeforensics@gmail.com

Phi Theta Kappa
Phi Theta Kappa is the official honor society for community colleges as recognized by the American Association of Community College. Membership is based on superior academic achievement and is by invitation only. The purpose of Phi Theta Kappa is to recognize and encourage the academic achievement of two-year college students, and to provide opportunities for the development of leadership and service, intellectual exchange of ideas and ideals, lively fellowship for scholars, and stimulation of interest in continuing academic excellence. The Cerritos College chapter of PTK is Beta Alpha Beta.
For more information about the benefits of membership, please visit www.ptk.org
For information about Beta Alpha Beta Chapter events/activities, please visit our Facebook fan page at www.facebook.com/cerritosptk

Philosophy
To promote conversations and discussions of philosophic topics in the spirit of the tradition of Socrates. To provide an opportunity for students to meet in a congenial social atmosphere and come to appreciate the discipline of philosophy and the ideas of the great philosophers of the world as well as the thoughts of other students. To give members the opportunity to engage in discussions with scheduled presenters who offer interesting and important topics. The Club actively presents philosophical events to engage students in important philosophical topics. The club develops and promulgates a semester calendar of events. The Club has two advisors who support the club activities and events.
Plastics Club
The Plastics Club is a student run club to any Cerritos College student with an interest in industrial plastics and manufacturing processes. Students must be enrolled in .5 units or more and having at least a 2.0 GPA. The purpose of the club is to promote the advancement of manufacturing especially in the areas of composite/plastics. To provide tours, guest speakers and fund activities related to the plastics industry.

Pre-Med Club
The purpose of this club is:
To help students interested in all health professions achieve their goals through;
- attending pre-med conferences
- internship opportunities
- research opportunities
- informative seminars
- volunteer work.
To supply its members with current information about the Health Sciences.
To provide a medium for guest speakers to come to speak to those interested in the health sciences.
To give back to the community by providing service oriented volunteer work to local health care institutions.
To provide academic support for its members in regards to the medical school application process.
To offer support and encouragement to one another, to host events that better prepare us for acceptance into an accredited post graduate study, and to ultimately have a fulfilling career committed to healing, while giving back to Cerritos College and the surrounding community.

PRojEct Health
PRojEct Health supports pre-health students at Cerritos College in making well informed healthcare career decisions by providing a network of support in all levels of education. Through diverse clinical volunteer opportunities, ProjEct Health hopes to cultivate culturally sensitive healthcare professionals and motivate members to develop an appreciation for the healthcare profession.

Psychology Club/PSI Beta
The Psychology Club is a group of students brought together during each semester, doing several activities such as meetings, bake sales, field trips, outings and much more. Also it includes having special guest speakers come in and share their experience. It’s a great way to meet new people and network within the club. We also introduce Cite Beta Club. For more information go to www.psibeta.org

Puente Club
The Puente club is comprised of, but is not limited to, current and former students enrolled in the Puente Project. The Puente Project is a U.C. sponsored program, established in 1981, which was designed to cater to the unique needs of California’s educationally underrepresented students. The purpose of the Puente Club is to engage in dialogue, form panels, take campus tours, and be involved in other activities that will focus on equipping our members with the information necessary for a successful transfer experience, while simultaneously building future leaders of our community.
Scholars’ Honors Club
The Scholars’ Honors Club promotes the transfer mission of the Scholars’ Honors Program and provides a place for members to interact with one another. The SHC focuses on the following three objectives: (1) promote academic excellence by providing workshops that prepare students to transfer; (2) encourage students to participate in community service activities that benefit the college and community; and (3) prepare students to present their research at state, regional, and national conferences.

Single Parents In College for Excellence Club (SPICE Club)
The purpose of the Single Parents Club is to provide emotional support and group cohesiveness between members, and to provide learning opportunities for single parents and their family.

Stocks
A club whose purpose is to improve critical thinking skills and to enhance the professionalism and diversity of its members. Members meet bi-weekly to discuss: Community service projects, which evoke leadership and cooperation from its members, current events, which require members to investigate an issue and to engage in debates in order to resolve it, and lastly, techniques that advance professionalism. The overall aim of Stocks is to prepare our members to be well-rounded individuals that are suitable for the professional work environment.

Student Nurses Association of Cerritos College (SNACC)
SNACC is made up of students that are in the nursing program at Cerritos College. It gives nursing students a way to contribute to the community through charitable donations and volunteer work. It also promotes camaraderie between nursing student and gives us a voice and a way to express ourselves. We plan events and holiday get-togethers to make nursing school memorable.

Science, Technology, Engineering and Math (S.T.E.M.)
The Science, Technology, Engineering and Math Club was founded during the Fall 2012 at Cerritos College. As a club for students who are majoring in the fields of Science, Technology, Engineering and Mathematics, we partake in field trips, study groups, and volunteer activities. Our goal is to help students accomplish their goals in pursuing careers in the STEM field.

Student Veterans Club
The Cerritos College Veterans Club seeks to increase awareness and understanding of Veterans issues on campus and the local community. Additionally, it strives to link veterans from all branches of military service who have served during times of peace and war and their family members by working to provide them with skills, knowledge, and the network necessary to make the transition from military life and excel in a college environment.

Talon Marks Press Club
Talon Marks Press Club Talon Marks Press Club participates in campus-wide events to promote for Talon Marks, Cerritos College’s student-run newspaper. Members have the opportunity to attend regional and statewide conferences hosted by journalism organizations. Club meetings are the 1st and 3rd Wednesday of the month at 3 p.m. in room FA 42 (Fine Arts Building). For more information, contact the Talon Marks Press Club at tmpressclub@talonmarks.com or club advisers Richard Cameron at rcameron@cerritos.edu or Alicia Edquist at aedquist@cerritos.edu.
The Community for Freethought Club

To facilitate student lead discussion and community outreach. The Community for Freethought club believes that it is not enough to simply discuss the world among us. We must apply our beliefs to the world by relating to the community in a positive way and by showing support for similar-minded clubs and organizations on campus. The club develops and promulgates a semester calendar of events. The Club has one advisor who supports the club activities and events.

Transfer Club

The Transfer Club focuses on the future of the students by informing them about the fundamentals of transferring. Our club consists of club meetings where you can ask a transfer counselor a couple of questions that you may have. Also, we try to get students involved in activities that include fundraising, getting to know each other, going on campus tours, and having guest speakers from different institutions.

Triathlon Club

The Triathlon Club is unique from other clubs. In addition to traditional club activities, the Triathlon Club promotes health and fitness; especially in swimming, cycling, and running. The club opens to individuals of all fitness levels. Members plan fundraisers, weekend workout sessions, and volunteer at local and campus community events. [http://cms.cerritos.edu/triathlon-Club/](http://cms.cerritos.edu/triathlon-Club/)

Wilderness Club

The purpose of the Wilderness Club is to introduce Cerritos College students to the natural world around us. We do this by taking students on hikes and trips to local National forests, and National and State Park areas. We also seek to instill a sense of stewardship for our natural areas so some of our activities involve service days where we plant native plants, and participate in clean ups in natural areas.

The Women's Studies Club

The club includes students from a variety of majors who have an interest in women's and gender studies. Discussion panels, field trips, and joint activities with other campus life. Particularly active during Women's History Month, this club welcomes women and men from all political perspectives.

WPMD Broadcasting Club

WPMD Broadcasting club introduces the world of electronic media to students through involvement with WPMD. They will also develop an understanding of Cerritos College Radio-Television courses in the event they choose to enroll in the future. Working closely with on air talent club members will know; what are the requirements are to earn their own show on WPMD. We are a group of individuals who network with other clubs on campus to promote them as well when they have upcoming events on campus. Students are encouraged to be a guest on a show at least once to spark their interest as they are heard throughout the World Wide Web.
