REVISED SPRING 2015
Transfer Preparation

University of California – Los Angeles
This is a highly selective major

The Sociology Department at UCLA requires you complete all major preparation courses available at Cerritos by the spring prior to fall transfer. All courses must be taken for a letter grade with a minimum grade of “C”. After transfer to UCLA, students may not change their major to Sociology if they were originally admitted to another major. Students who repeat any preparation course more than once are automatically denied admission to the major. Transfer students must be admitted as Pre-Sociology majors in order to major in sociology.

University of California – Riverside
SOC 205 Introduction to Social Research Methods 3

Two additional lower division Sociology courses are required. Any UC transferable Sociology course is acceptable. All five courses in the major must be completed with a grade of “C” or better.

*MATH 112 or PSYC 210 listed as a common lower division major preparation course is not articulated to meet the requirement for UCR’s SOC 5.

See www.assist.org for lower division preparation requirements for the Sociology/Administrative Studies and Sociology/Law and Society majors.

CAREER OPPORTUNITIES:
Employment opportunities for those holding the B.A. will be somewhat limited, although placement in Departments of Public Welfare and Probation and Parole are occasionally available. Persons with graduate degrees – M.A., Ph.D. – will qualify for teaching and research positions.
