1. ACCJC Accreditation Standard IV.C.11 (formerly IV.B.1.a, e, and h)

The Board of Trustees is elected as the governing body of the Cerritos Community College District and is responsible to the electors for the general conduct of the college.

The Cerritos Governing Board members recognize that it is not their function, either individually or collectively, to actively engage in the administration of the District and understand that to do so or even give the appearance of doing so, can erode the trust and mutual respect which are the cornerstones of successful Board/Superintendent relationships.

Each Member of the Board of Trustees of Cerritos Community College District will:

1. Hold the educational welfare of the students as his/her primary concern, keeping in mind what is best for the entire institution, not for specific or specialized interests.
2. Establish a climate of mutual respect and trust even though legitimate differences of opinion may exist among Board Members.
3. Recognize and actively communicate that Trustee authority to act on behalf of the College rests only with the entire Board assembled in a legally constituted meeting. Board members will make no personal promises of Board action nor take any private action inconsistent with that reality.
4. Be aware that a Trustee is responsible to all citizens of the community. The authority delegated to the Trustees by the voters must be exercised with as much care and concern for the least influential as for the most influential member of the community.
5. Acknowledge the Ralph N. Brown Act and conduct its meetings in open session, unless, in the judgment of the Board and only for those purposes permitted by law, it is more appropriate to hold a closed session.
6. Welcome and encourage the active involvement of students, faculty, staff, and citizens of the District with respect to establishing policy on current college operation and proposed future developments. Board members shall consider the viewpoint of these groups in their deliberation and decision.
7. Be encouraged to enhance his/her ability to function effectively as a Trustee through devotion of time to study contemporary educational issues, as well as attendance at professional workshops or conferences.
8. Keep confidential all matters discussed in closed session. They shall not divulge or release such information outside closed session to any staff member or member of the public, unless a majority of Board members agree to release the information, subject to applicable laws. This section shall not prevent the release of information
about the purpose and subject(s) of the closed session as required for public
information under Government Code, Section 54957.7.

9. Promote a healthy working relationship with the President/Superintendent and his
or her staff by:
   a. Supporting a cohesive and responsible administration and maintaining a
      climate of no surprises.
   b. Supporting District personnel in the appropriate performance of their duties
      and ensuring that they have the requisite responsibility and necessary
      authority to perform effectively.
   c. Sharing all concerns, complaints and recommendations, as appropriate,
      with other Board members and the President/ Superintendant, as the Brown
      Act allows.

10. Recognize that contacts with the media are primarily handled by the
    Superintendent/President and/or Board President.

11. Recognize that under all circumstances that the Board is legally responsible for
    the effective operation of the District. Its primary function is to establish the policies
    by which Cerritos Community College is to be administered and assure its fiscal
    stability.

12. The Board shall hold the Superintendent/President and his/her administrative staff
    accountable for the administration of the educational program and the conduct of
    college business.

13. Avoid any situation that may constitute a conflict of interest and disqualify him/her
    from participating in decisions in which he/she has a financial interest. Conflicts of
    interest relate not only to the individual Trustee but also to his or her family and
    business partners.

14. Participate in a self-evaluation of the Board and use that evaluation to formulate
    Board goals and objectives for the upcoming year.

15. ENFORCEMENT
   a. The majority of the Board reserves the right to censure any Board member
      who does not adhere to the confidentiality of closed sessions or engages in
      any unethical conduct.
   b. Censure is an official expression of disapproval passed by the Board of
      Trustees. A Board member may be subject to a resolution of censure by
      the Board of Trustees should it be determined the Trustee misconduct has
      occurred.
   c. A complaint of Trustee misconduct will be referred to the Board President.
      The Board President will appoint an ad hoc committee of three Trustees not
      associated with the complaint to conduct an investigation and review of the
      matter. In the event the complaint involves the Board President, another
      officer of the Board shall form the ad hoc committee. A thorough fact finding
      process, formulated in a manner deemed appropriate by the committee,
      shall be initiated. The committee shall be guided in its inquiry by the
      standards set forth in this policy and shall complete their inquiries within a
      reasonable period of time.
   d. The Trustee subject to the charge of misconduct shall not be precluded from
      presenting information to the committee.
e. The committee shall, within a reasonable period of time, make a report of
its findings to the Board of Trustees for action.

16. Board members who are found by a majority of the Board to have acted unethically
or to have violated this policy may be subject to reprimand, possible exclusion from
closed sessions, public censure, referral to the District Attorney for criminal
prosecution, or other action as determined by the Board.

17. This policy will be reviewed during the organizational meeting following Board
member elections.
