FALL 2012 ENROLLMENT

STUDENTS WHO ARE STARTING ENROLLMENT NOW:

Prepare yourself for the possibility of having to start taking classes in the spring semester, which will begin in January. The fall semester starts August 20th and classes are already full.

Strategies for finding classes for the fall

- Consult the open class list via Schedule Plus ([www.cerritos.edu/schedule](http://www.cerritos.edu/schedule)) to see what is still available. If there is a wait list available for a class you are interested in (and eligible for), then you may sign up for it.
- Refer to the MyCerritos registration video for enrollment instructions. (Enrollment is not completed in person.)
  - You may only be on up to 10 units of wait lists at a time.
  - You must pay for the waitlist.
  - If you are not able to get into the class, you may initiate a request for a refund or leave it in your student account to pay for future fees. A one year limitation applies.
- If you are able to get into a class or on a waitlist, you must pay all fees within 7 calendar days and by August 17th or your classes will be dropped. See p. 12 of the schedule of classes.
- You may also try to "crash" or "petition" a class by going to the first class meeting.
  - There is no guarantee that you will be able to get into the class.
- Check other schools for class availability.

If you can not get on a waitlist or petition for a class then get an early start on the spring enrollment process:

- Submit a Spring 2013 application starting on September 1st.
  - You will not need to take the assessment tests again
  - You also will not need to go through orientation again.
  - So, if you cannot get any classes this fall, and you are first-time new to college student who has already completed assessment tests and orientation, you will be eligible for a one-time earlier enrollment date for Spring 2013.
  - Submit a spring application by, Tuesday, Oct. 16th which is the Early Success Program deadline.
- Check the ESP webpage for more information: [www.cerritos.edu/esp](http://www.cerritos.edu/esp)
- Follow the Spring timeline for more information.
