FOR NEW STUDENTS ONLY

HOW TO ENROLL IN ESL CREDIT CLASSES

at

CERRITOS COLLEGE

STEP 1: APPLY

Complete an application form. DO THIS NOW!

There are two ways to do this:
1) Apply online at http://cccapply.org/Applications/California_Community_College/apply/Cerritos_College.html or
2) Apply in person at the Admissions and Records office.

International students should contact Danita Kurtz at the International Students Office for a different application. (562) 860-2451 Ext.2133

STEP 2: TAKE THE ESL ASSESSMENT TEST

Call the Career Services at (562) 860-2451 Ext.2356 or visit them online at www.cerritos.edu/career-services/assessment-testing/index.html to make an appointment to take the ESL assessment test. Be sure to take the ESL assessment test, and NOT the English assessment test. These are different tests.

STEP 3: COMPLETE AN ONLINE OR IN-PERSON ORIENTATION

The orientation includes general information, enrollment procedures and a meeting with a counselor to plan your classes. The assessment test in ESL should be completed prior to your orientation. Visit the website to learn more about new student orientations (http://cms.cerritos.edu/counseling/Orientation/).

STEP 4: REGISTER FOR CLASSES AND PAY FEES

After you have taken the ESL assessment test and have completed an orientation and talked with a counselor about which classes to take, you will receive a registration appointment. This appointment allows you to register online or by phone.
