To be eligible for financial aid, you must make satisfactory academic progress toward your educational goal. The Financial Aid Office has established the following Satisfactory Academic Progress (SAP) standards and monitors progress using both Qualitative and Quantitative standards at the end of each semester.

It is your responsibility to make sure that you read, understand, and meet these standards. It is also your responsibility to review your transcripts regularly.

**Grade Point Average (GPA) Requirement (Qualitative)**

- You are required to maintain at least a 2.0 cumulative Grade Point Average (GPA).
- The GPA standard is used at all times in the determination of eligibility for financial aid, even when you do not receive financial aid.
- Courses noted as excluded on the transcripts are not counted for purposes of the cumulative GPA.
- Grades removed through academic renewal are still counted for pace of progress and GPA requirements.

**Unit Completion Requirement - Pace of Progress (Quantitative)**

- You are required to complete 67% of the units which you have attempted.
- All units, including transfer units are considered in this calculation, even when you do not receive financial aid. Units for which a grade of W, I, NP, NC, and/or F are considered as units attempted, but not completed. Courses noted as excluded and repeated courses, are counted as attempted units in calculating the pace of progress. Military withdrawals (MW) will not be counted.
- The cumulative units completed will be divided by the cumulative units attempted to calculate the pace of progress.

*Below are some examples:*

Student A: Attended Fall and Spring semesters for one year. Attempted 24 units, completed 20 units.
  Pace of progress is calculated as 20 / 24 = 83%, student met the 67% requirement.

Student B: Attended Fall and Spring for one year. Attempted 24 units, completed 15 units.
  Pace of progress is calculated as 15 / 24 = 62%, student did not meet the 67% requirement.

Student C: Attended Fall and Spring semesters for two years. Attempted 48 units, completed 36 units.
  Pace of progress is calculated as 36 / 48 = 75%, student met the 67% requirement.

Student D: Attended Fall and Spring semesters for two years. Attempted 48 units, completed 32 units.
  Pace of progress is calculated as 32 / 48 = 66%, student did not meet the 67% requirement.

**Maximum Time Frame Requirement (Quantitative)**

- You must complete your financial aid educational program within a maximum time frame of 150% of the published program’s required units at Cerritos College.
- For example, an Associate in Arts degree and transfer programs generally require 60 units. Therefore, 150% of those programs would be 90 units (60 units x 1.5).
- You will be required to meet with a counselor and create a financial aid educational plan based on your educational program once you attempt the following number of units:
  - 60 Units (excluding remedial and ESL units) for associate in arts degree or transfer program
  - 30 Units (excluding remedial and ESL units) for a certificate program
- All attempted units, including incompletes, withdrawals, repeats, and transfer units are included, even when you do not receive financial aid.
- You must submit your financial aid educational plan to the Financial Aid Office for review.
- The Financial Aid Office will notify you regarding if your financial aid educational plan is approved or denied.
There is a limit of three revisions to a financial aid educational plan, which may include changes in majors and/or additional course requirements. If at any point in time it is determined that you cannot complete your educational program within the 150% time frame, you may be immediately disqualified from financial aid for the remainder of your program, even if currently meeting the SAP standards (with the exception of the Board of Governors Fee Waiver).

Warning
- You will be placed on warning status after a semester if you have not met the unit completion requirement and/or the 2.0 grade point average requirement.
- If you are placed on financial aid warning status, you may remain eligible for financial aid.

Termination
- You will be placed on termination status after a semester on warning status, if you still have not met the unit completion requirement and/or the 2.0 grade point average requirement.
- If you are placed on termination status, you will no longer be eligible to receive financial aid, with the exception of the Board of Governors Fee Waiver, if eligible.

Reestablishing Eligibility
- Students may reestablish their eligibility by meeting the 2.0 cumulative Grade Point Average (GPA) Requirement (Qualitative) and 67% Unit Completion Requirement - Pace of Progress (Quantitative) standards.

SAP Appeals Process
- If you are terminated due to GPA, Unit Completion, and/or Maximum Time Frame you have the option to appeal your status. The appeal should include the following:
  - A statement explaining in detail your situation and reason(s) for not meeting the SAP standards with supporting documentation.
  - A statement explaining what has changed in your situation and how you plan to improve your progress to meet the SAP standards.
- You must submit your appeal to the Financial Aid Office by the appropriate deadline for the semester you are appealing.
- All appeals will be reviewed by the Dean of Student Support Services and approved for probation, referred for an academic plan, or denied based on the student’s individual circumstances.
- If your appeal is approved, you will be placed on probation status for the semester.
- If your appeal is approved with the condition of an academic plan, you will be required to meet with a counselor to develop a Probationary Academic Student (PAS) Agreement. If you do not meet the terms of your agreement, you will be placed on termination and cannot appeal your termination status.
- If you will not be able to meet the SAP standards at the end of the semester, your appeal may be denied. All decisions are final and there are is no higher appeal.
- If there are grade changes for a prior semester, notify the Financial Aid Office by submitting a written statement along with your transcripts to document the change. The Financial Aid Office will review and make a correction to your SAP status if approved.

Notification of Status
- You will receive a notification of your Satisfactory Academic Progress (SAP) status each semester.
