APPLICATION DEADLINE

This position will remain open through June 19, 2015. Applications may be screened throughout the year as instructional needs arise. All applications will be reviewed and applicants will be notified when screening is completed. It is the applicant's responsibility to ensure that all application materials are received. Applicants who need special services or facilities due to disability in order to apply or interview for this position must notify Human Resources at the time of application or at least 72 hours prior to the closing date or date of a scheduled interview.

SELECTION PROCESS

Application materials will be evaluated by a selection committee to determine which applicants qualifications, based on the information in the job announcement, best suit the needs of the District and the Department. The selection committee will conduct interviews, including a teaching demonstration, in order to determine which applicants best demonstrate the skill and knowledge required for the position. Successful candidates will be placed on an eligibility list for employment and will be contacted for employment opportunities based on the District's needs.

Human Resources Hours:

8:00 AM - 5:00 PM (Monday through Friday)

HR SUMMER Hours:
May 26-August 8, 2014
8:00 AM - 5:00 PM
(Monday through Thursday, closed on Fridays)
The District is strongly committed to achieving staff diversity and the principles of equal opportunity employment. The District encourages a diverse pool of applicants and the District shall provide equal employment opportunities to all applicants and employees without regard to national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, Vietnam-era veteran status, physical or mental disability, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. In fact, the college encourages applications from all segments of qualified people.

PROFILE

The Engineering Technology Department is one of the departments within the Technology Division. The program offers students learning opportunities in engineering design technology, principles of engineering technology, digital electronics for engineering technologists, and engineering technology development. The Department works closely with our Pathways program to ensure a smooth transition for high school students to Cerritos College. The position requires a desire to recruit high school students and to participate in high school events for both the Department and the Division.

Engineering Technology faculty are required to teach hands-on laboratory classes as well as lecture classes. The Department offers classes mornings, afternoons, evenings, and weekends. Teaching assignments may be scheduled at any of these times.

The division and the program are committed to student success and are therefore seeking a skilled, talented, and highly motivated individual to join our dedicated team of successful faculty.

DUTIES & RESPONSIBILITIES

A description of faculty duties and responsibilities may be found in Board Policy and Administrative Procedure 4005. (www.cerritos.edu/board)

QUALIFICATIONS

Required:

- Master's degree in any field of engineering technology or engineering OR bachelor's degree in either of the above AND master's degree in physics, mathematics, computer science, biological science, or chemistry, OR bachelor's degree in industrial technology, engineering technology or engineering AND a professional engineer's license OR the equivalent. (All qualifying educational degrees/training must be from regionally accredited colleges and/or universities.)
- Understanding, sensitivity, and commitment to meeting the needs of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic background of the student/community population.

Preferred:

- Teaching experience at the community college level.
- Certification as a “Solidworks Professional” (CSWP)
- Experience using Autodesk INVENTOR or Dassault Systemes CATIA in a professional setting.

CONDITIONS OF EMPLOYMENT

- Salary is $50.05 per hour to start.
- Assignments are contingent upon sufficient enrollment.
- Assignments include day and evening classes.
- Individuals who are offered employment shall be required to obtain fingerprints for a criminal history clearance through the State Department of Justice and remit the required fee for processing the fingerprints, produce an original social security card, and submit negative TB test results (must be within the past four years or within the last 60 days if not previously employed in a school district in California) before they are hired.
- Continued employment is contingent on funding.

APPLICATION PROCEDURE

Interested applicants must submit:

- Letter of application indicating how you meet each of the required qualifications for this position to include, but not be limited to, information on the following:
  - Contributions to the profession
  - Related experience/accomplishments
  - Professional/personal development (Workshops, Diversity Sensitivity Training, etc.)
- Completed District Academic Employment application form.
- Résumé of educational background and experience.
- Copies of all transcript(s) (need not be official) verifying all educational degree(s) and the date the degree was conferred. A foreign transcript must be evaluated by a NACES certified agency. The web site address is www.naces.org.
- Letter(s) of recommendation addressing recent pertinent experience.
