APPLICATION DEADLINE
This position will remain open through MARCH 1, 2013. Applications may be screened throughout the year as instructional needs arise. All applications will be reviewed and applicants will be notified when screening is completed. It is the applicant's responsibility to ensure that all application materials are received. Applicants who need special services or facilities due to disability in order to apply or interview for this position must notify Human Resources at the time of application or at least 72 hours prior to the closing date or date of a scheduled interview.

SELECTION PROCESS
Application materials will be evaluated by a selection committee to determine which applicants qualifications, based on the information in the job announcement, best suit the needs of the District and the Department. The selection committee will conduct interviews, including a teaching demonstration, in order to determine which applicants best demonstrate the skill and knowledge required for the position. Successful candidates will be placed on an eligibility list for employment and will be contacted for employment opportunities based on the District’s needs.

PROFILE
The automotive department is one of 11 departments in the technology division. The department manages and delivers curriculum supporting the automotive industry with six certificate programs. Instruction is provided from basic automotive skills to advanced incumbent worker training. The department also provides automotive management certificates and training in alternative fuels.

The automotive department is supported by various automotive manufactures including GM, Ford, Chrysler, Nissan, BMW, Subaru, Mitsubishi, and others. The College has formal training agreements with GM, Ford, and Chrysler supporting those dealer networks in the Southern California area. The department maintains NATEF certification for the manufacturer’s programs and the general technician certificate.

Classes are usually offered Monday through Thursday from 7:00 AM to 10:30 PM. Instructors in the automotive department teach both lecture and lab aspects of their class. They may be assigned to one manufacturer program or may teach in more than one. To stay qualified to teach the NATEF certified classes, instructors must complete at least 20 hours of technical training update annually and maintain their ASE certification.

The automotive department is committed to student success through continual improvement of the automotive department and seeks a candidate who shares this commitment.
