The meeting was called to order at 2:08.

Developmental Education Updates
Review committee goals, questions, and potential overlaps with other committees.

- The committee reviewed its mission and goals and identified areas of interest.
  - Areas of Interest
    - There were questions about the new dean positions and what the role of the new Student Success Dean will be.
    - Questions were raised about how to reach out to CTE students and help them better access Academic Support Services.
    - There was discussion about how the committee could continue to support iFalcon on Campus.
    - The committee was interested in hearing more about the Student Equity Plan and how this effort could be supported by the committee. Action: Francie will ask Dr. Johnson to present at the next committee meeting.
  - Francie presented information on current Dev Ed Projects:
    - Teaching and Learning Modules: There will be a new series beginning in January 2015. The modules are open to all faculty.
    - Reading Apprenticeship: There will be two information sessions (Oct and Dec). Then a 9 week module will begin in January 2015.
    - The Dev Ed funds continue to support Success Center activities, including workshop facilitation and DLA development.
The meeting was adjourned at 3:12.
