Embedded Tutoring Program – Student Success Center

Participation Requirements

As a faculty participant, we ask that you incorporate some or all of the following elements into your semester planning, as they apply. As a result, you can earn $225 - $300, depending on the activities participated in.

1. Training – for new faculty participants only ($75)
2. Meet with your embedded tutor ($75 per hour for up to a $225 stipend)
3. Facilitate an in-class student survey toward the end of the semester.
4. Participate in a faculty survey toward the end of the semester.

*Please be aware that submission of application does not guarantee assignment of an embedded tutor. Applications will be reviewed, scored and chosen based on factors including demonstrated need, eligibility as a Dev Ed course, tutor availability and timeliness of application.
