WHAT: Cerritos College will host the seventh annual Relay For Life of Norwalk June 7-8 at the Falcon Utility/Soccer Field.

The Relay for Life event raises funds and awareness to save lives from cancer. Organized by the American Cancer Society each year, it is attended by more than 4 million people in more than 20 countries.

All donations will benefit the American Cancer Society. The Relay for Life of Norwalk event has helped raise nearly $262,000 since 2008. This year the event hopes to raise $85,000 in donations.

During the Relay event, participants and survivors celebrate what they've overcome during the Survivors Lap. During the Luminaria Ceremony, participants remember people lost to cancer, and honor people who have fought or are fighting cancer. The Fight Back Ceremony inspires Relay participants to take tangible action against the disease.

Donations can be made online at http://relay.acsevents.org/site/TR/RelayForLife/RFLCY14CA?fr_id=57461&pg=entry.
